

# Temporary Refund Policy Documentation

This temporary refund policy document is intended for demonstration and development purposes only. It outlines a sample refund and cancellation workflow that may be used within an e-commerce or inventory management application.

---

## 1. Eligibility for Refunds

Customers may request a refund within 7 calendar days from the delivery date. Refunds are applicable only for damaged, defective, incorrect, or undelivered products.

## 2. Non-Refundable Items

The following items are not eligible for refunds:

- Perishable goods
- Customized or personalized products
- Digital downloads or software licenses

## 3. Refund Request Process

Customers must provide:

- Order ID
- Product details
- Reason for refund
- Supporting images if applicable

## 4. Refund Approval Timeline

Refund requests are reviewed within 2-5 business days. Once approved, the refund will be processed to the original payment method within 5-7 business days.

## 5. Cancellation Policy

Orders can be canceled before shipment confirmation. Once shipped, cancellation requests may not be accepted.

## 6. Contact Information
